Peuple Uni, Digne et Prospère

Foreign Direct Investment

The Alliance Fleuve Congo (AFC/M23) is seeking your partnership in receiving Gold from the D.R. Congo.

The AFC/M23 is strictly prohibited from engaging in any transactions or business. For this reason, we are seeking your assistance in receiving gold on our behalf - gold that we have mined and stored for a very long time.

Furthermore, the goal of AFC/M23 is to partner with you or your company to facilitate the transfer of gold, with the proceeds from its sales returning to the DR Congo as foreign direct investment.

If you are interested in our proposal, please reply with your WhatsApp number for direct communication.
