APPROVAL OF PREVIOUS MEETING MINUTES

It was agreed to approve the minutes from the meeting held on April 9, 2026, as distributed.

CARRIED (All in favour)

FINANCE

1. **Financials Statements:** As the Treasurer was not in attendance, Council agreed to table review of the March 2026 financial statements until the next meeting. Council noted that the Robinson Roofing invoice will be paid from account 4160 (Repairs and Maintenance).
2. **CRF Temporary Loan:** Council noted the temporary loan from the Contingency Reserve Fund in the amount of \$90,000.
3. **Accounts Receivable:** Council reviewed the accounts receivable report. Council authorized the continuation of collection letters where required but directed that no demand letters be issued without prior notification to Council.

POLICY FOR COLLECTION OF OUTSTANDING STRATA ACCOUNTS

Step 1: All outstanding accounts will receive a Statement of Account. This will show your account balance and a reminder to please remit your payment in full.

- Step 2:** Once an Owner is 60+ days in arrears, a lien warning letter will be sent advising the owner that if the account is not paid in full within 21 days that a lien will be placed against the strata lot. A title search charge of \$105.00 is added to the account of the owner receiving the lien warning. A copy of the lien warning letter is also sent to the mortgage company, as it is a default on the mortgage.
- Step 3:** If there is no response to the lien warning letter within 21 days, a lien will be placed on the affected strata lot. Owners are advised that if a lien is placed against your unit, an extra charge will be applied to your unit to cover the cost associated with the lien. The mortgage holder is also advised of the lien warning letter and pending lien as it is a default of the mortgage terms.
- Step 4:** If the account continues to accumulate after the lien has been applied to the strata lot, the next step in collection is a demand letter from a lawyer advising the owner that if payment in full is not received within 30 days that the Strata Corporation will proceed to the Supreme Court of British Columbia seeking a forced sale to satisfy the debt.
- Any costs associated with collections will not be waived once incurred.**
