On July 1, 2021, an amendment of the Sales Tax Act in Canada came into effect. As of that date, companies based in other countries than Canada that sell digital products and services to consumers located in Canada are required to register for GST/HST and to charge GST/HST. Due to this change of law, starting July 1, 2021, we registered for GST/HST purposes and are now required to charge GST/HST and to declare and pay it to the Canada Revenue Agency.
