											Total (USD)	249.07

These items are controlled by the U.S. government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.

The above declaration, reviewed by the foreign shipper, is true and correct to the best of my knowledge and belief, that the articles were manufactured by Space Exploration Technologies Corp. located in Hawthorne, California, that the articles were not manufactured or produced in the United States under subheading 9813.00.05, HTSUS, and that the articles were exported from the United States without benefit of drawback.
