WATER RESTRICTIONS STAGE 3 EFFECTIVE JUNE 8TH

Please be advised that Metro Vancouver's Stage 3 Water Restrictions will take effect on June 8, 2026. In preparation for these restrictions, the strata's irrigation and sprinkler systems will be deactivated and will remain off until further notice.

Under Stage 3 restrictions, lawn watering is prohibited. Trees, shrubs, flowers, and other landscape plantings may only be watered by hand using a watering container, drip irrigation system, or a hose equipped with a spring-loaded shut-off nozzle.

Please note that filling or topping up decorative water features, pools, and hot tubs is prohibited. The use of garden hoses or pressure washers for general cleaning purposes is also prohibited, including exterior building cleaning, power washing, and vehicle washing.

Residents are reminded that washing vehicles using a garden hose is not permitted during Stage 3 restrictions.

Thank you for your cooperation in helping conserve water.

Thank you for your attention to this matter.

CYNTHIA TRKULJA, STRATA MANAGER
